Meet Gabe

Bass Guitar - Guitar - Percussion - Drums - Ukulele

Gabe found his love for music at a young age when he discovered the bass guitar. Now, he has been professionally studying, performing and teaching for nearly 2 decades. Although his personal favorite is the bass guitar, he also enjoys the unique sounds of the guitar and drums. Gabe is continuously working to improve his own musical skills and knowledge. In his spare time, he enjoys researching new musical technologies and gigging with various local bands including Sun Speaker and The Hot House Orchids. Specializing in everything from big band, jazz, blues, soul and rock, Gabe does his best to spread an appreciation and love for music within his local community.

Congratulations to Our December Student of the Month:

Jenna Campbell!

Jenna is an Alto Saxophone student of Alicia MacArthur. She has been taking lessons for 3 years and is currently a Prodigy on the Musical Ladder.

Jenna is a kind and compassionate person. She comes to lessons with a smile on her face that is contagious and always has her music prepared. She works hard and it shows in her musical ability and technique.

PMA Teachers: Don't forget to make your student of the month nominations for January. Check your email for the nomination form!

One of our Prestige Music Academy Instructors, Alicia MacArthur, was chosen as a recipient for the 2024 Fiesta Bowl Charities Wishes for Teachers Grant!

Alicia teaches middle school band and orchestra in the Cartwright School District in Phoenix. Most of her students cannot afford to purchase or rent their own instruments new, so they rely on the used instruments at school. Due to lack of funding at the school level, often times there aren't enough instruments for all of the students, and there is limited funding available for repairs and maintenance, causing many of the instruments to fall into disrepair.

Because of this award, Alicia will receive \$2500 in funding from Fiesta Bowl Charities to use for purchasing instruments and supplies for her classroom and the students in her program.

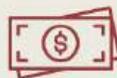

Congratulations Alicia!

You can help support your local school music programs by volunteering, donating unused instruments, or donating your tax credit each year to a school program of your choice.

Contact your local school district for more information.
