**Congratulations to Our
October 2025 Student of the Month:
Summer Cosma!**

Summer is a Piano student of Jacob. She has been taking lessons for 3 years and is a Master on the Musical Ladder.

Summer's teacher says:

"Summer always shows up to lessons prepared with a growth mindset, which is an incredible trait of a student of her age. Her thoughtfulness and intention stand out, particularly in her application of every bit of feedback she receives from me as her instructor. Summer is a true example of what it means to rise to a challenge, and I admire her extraordinary persistence even when encountering new difficulties. Learning an instrument is already difficult on its own, and it requires a special kind of strength to go above and beyond the way Summer has. I believe she has truly earned a shout out for all of her hard work, and deserves a powerful reminder that her efforts are not going unnoticed!"

Teachers: Don't forget to make your student of the month nominations. Check your email for the nomination form!

October is Country Music Month!

Country Music Month was initially observed in 1964, but it was not until President Richard Nixon made his proclamation in 1970 to celebrate October as Country Music Month that it became a celebration!

Ways You Can Celebrate Country Music This Month:

- Tune in to a country music radio station or playlist
- Host a country movie night and listen to some awesome country music soundtracks
- Host a country music karaoke night
- Attend a live country music concert or event
