SUMMER VIOLIN CAMP 2026

Summer Violin Camp will be a 1-week, fun and challenging approach, to work with growing violinists to improve every aspect of their playing. The workshop will be led by our master violinist, Andrew Williams. In addition to solo and ensemble playing, Andrew will incorporate pedagogy, theory and practical applications into each day. Other guest artists will attend as well, bringing an array of expertise in areas such as rhythmic study and playing pop song covers.
