A Studio Update:

Welcome to our newest students!

Meet Rebecca
Piano, Violin

Rebecca is an Arizona native and grew up taking both violin and piano lessons. She completed the American String Teachers Association Certificate Advancement Program for violin as well as advanced levels of the Arizona Study Program for piano, learning the importance of working toward musical goals. She has performed with various symphonies and has also enjoyed being a member of quartets and a fiddling group. She has taught for several years and loves watching her students grow and find passion in music as she has done.
