

ON THE FLY:

Stellar Airpark Estates II can accommodate aircraft like the Embraer Phenom 300 and Pilatus PC-12

The Frequent Flier

An elite, come-and-go-as-you-wish lifestyle will be a reality for those who call STELLAR AIRPARK ESTATES II home. Forté Homes' newest 14-lot custom home subdivision in Chandler will feature a 4,431-sq.-ft. model home and a 3,762-sq.-ft. airplane hangar, with desirable Prairie architectural design, dueling master bedroom suites, 18-ft. ceilings in the great room, a guest room, a den, a game room and a three-car garage. The fly-in, fly-out luxury community of custom-built estates from one of the Valley's most trusted builders is mere minutes to some of the Valley's top restaurant, golf courses, shops, spas and more. (And a glitzy show in Vegas or a day at the beach in sunny San Diego takes just a little while longer to get to thanks to Stellar Airpark Estates II's fly-in, fly-out capabilities.) Lot reservations are now available at Stellar Airpark Estates II, fortehomes.com.
